Does my child have to be in PSA to participate in band?

No, the PHS Band program is equally comprised of PSA students and non-PSA students. All students are afforded the same opportunities in ensembles, performances, and extra activities.

Frequently Asked Question's

Does band conflict with sports?

Students will be expected to work with myself and their coach to produce a schedule that allows them to do both.

What does it cost to be in band?

The band program does cover costs of the required band t-shirt, reeds and oils, participation fees for extra activities.

Do I have to purchase an instrument for my child?

The PHS Band program has been very fortunate to be able to provide instruments for students to use in band class. If you are interested in purchasing/renting an instrument please feel free to contact Ms. Shepherd for assistance.
